About Bhutan

The kingdom of Bhutan or Drukyl which means land of the thunder dragon is one of the few unexplored tourist destinations in the world. It has been declared as a global hotspot for its pristine environment and rich biodiversity. Straddling the eastern himalayas with China to the north and India to the south, it is a land of immense natural beauty with a rich ancient culture and tradition that is vibrant and intact.

Often referred to as Shangri La, buddhism is a way of life in this peaceful and serene country the last bastion of Mahayana buddhism in the world. Buddhism is embedded in every aspect of Bhutanese life.

“We don’t merely book your travel; we can help you realize your travel dreams if you give us an idea of what kind of experience you seek.”
